Testimonials

Amazing staff and treatments feel so relaxed after my visits to Bliss Beauty I would recommend a visit you will definitely return

Helen F

It was my first visit to Bliss Beauty Therapy, and I will definitely be returning. I had a very warm welcome and was given full details of both treatments that I was booked in for before I had them. Helen was super professional from start to finish and my treatments were fantastic and very good value for money. It was the best facial I've ever had! Thank you for a fantastic experience and I look forward to coming back to the new extended salon.

Suzanne B

Bliss Beauty has been a wonderful addition to the area. It's a beautiful, modern & calm salon to be pampered in. Both Helen & Anna, as well as Dawn on the front desk as friendly, personable & helpful.

I've had nails, waxing, eye brow & lash tinting & facials all which were excellent.

Mel B

I'm delighted to have Bliss Beauty in our Nottinghamshire village. The treatments are wonderful, the beauty therapists are experienced and attend to your every need and the salon is spotless, warm and welcoming. I highly recommend you give it a try if you want to enjoy a relaxed, calming treat for yourself or a special friend (Bliss' gift vouchers make a great present)

Clare R

This is a 5* treatment salon. I've been receiving treatments with Helen for years, and i genuinely would not go anywhere else. The standard is very high and Salon is immaculate. Thank you Helen and team.

Tina B

What a wonderful afternoon being pampered starting with my luxury pedicure then a relaxing facial using Katherine Daniels products, Helen and her team were just so lovely and really helpful as i had been suffering really bad with my skin even after one treatment my skin looked so much better, Thank you so much.

Nicola M

Having just visited Bliss beauty I wanted to feedback on how fantastic my experience was. I had a facial prescribed to my skins requirements and the results are fantastic. Helen, is exceptional. Truly professional and thorough. I could have floated home afterwards. If you want to know what the difference is come here! I've visited salons all over, including London and Paris, yet here in my hometown is the best.

The salon is beautiful, immaculate and relaxing. The products are new to me, however, they have calmed my sensitive skin and left me looking radiant. It's a pity I can't move this salon to where ever I am working. Thank you, Helen.

Sarah W

The mix of professionalism, quality, relaxing environment and warm friendly welcome are unique. Thank you

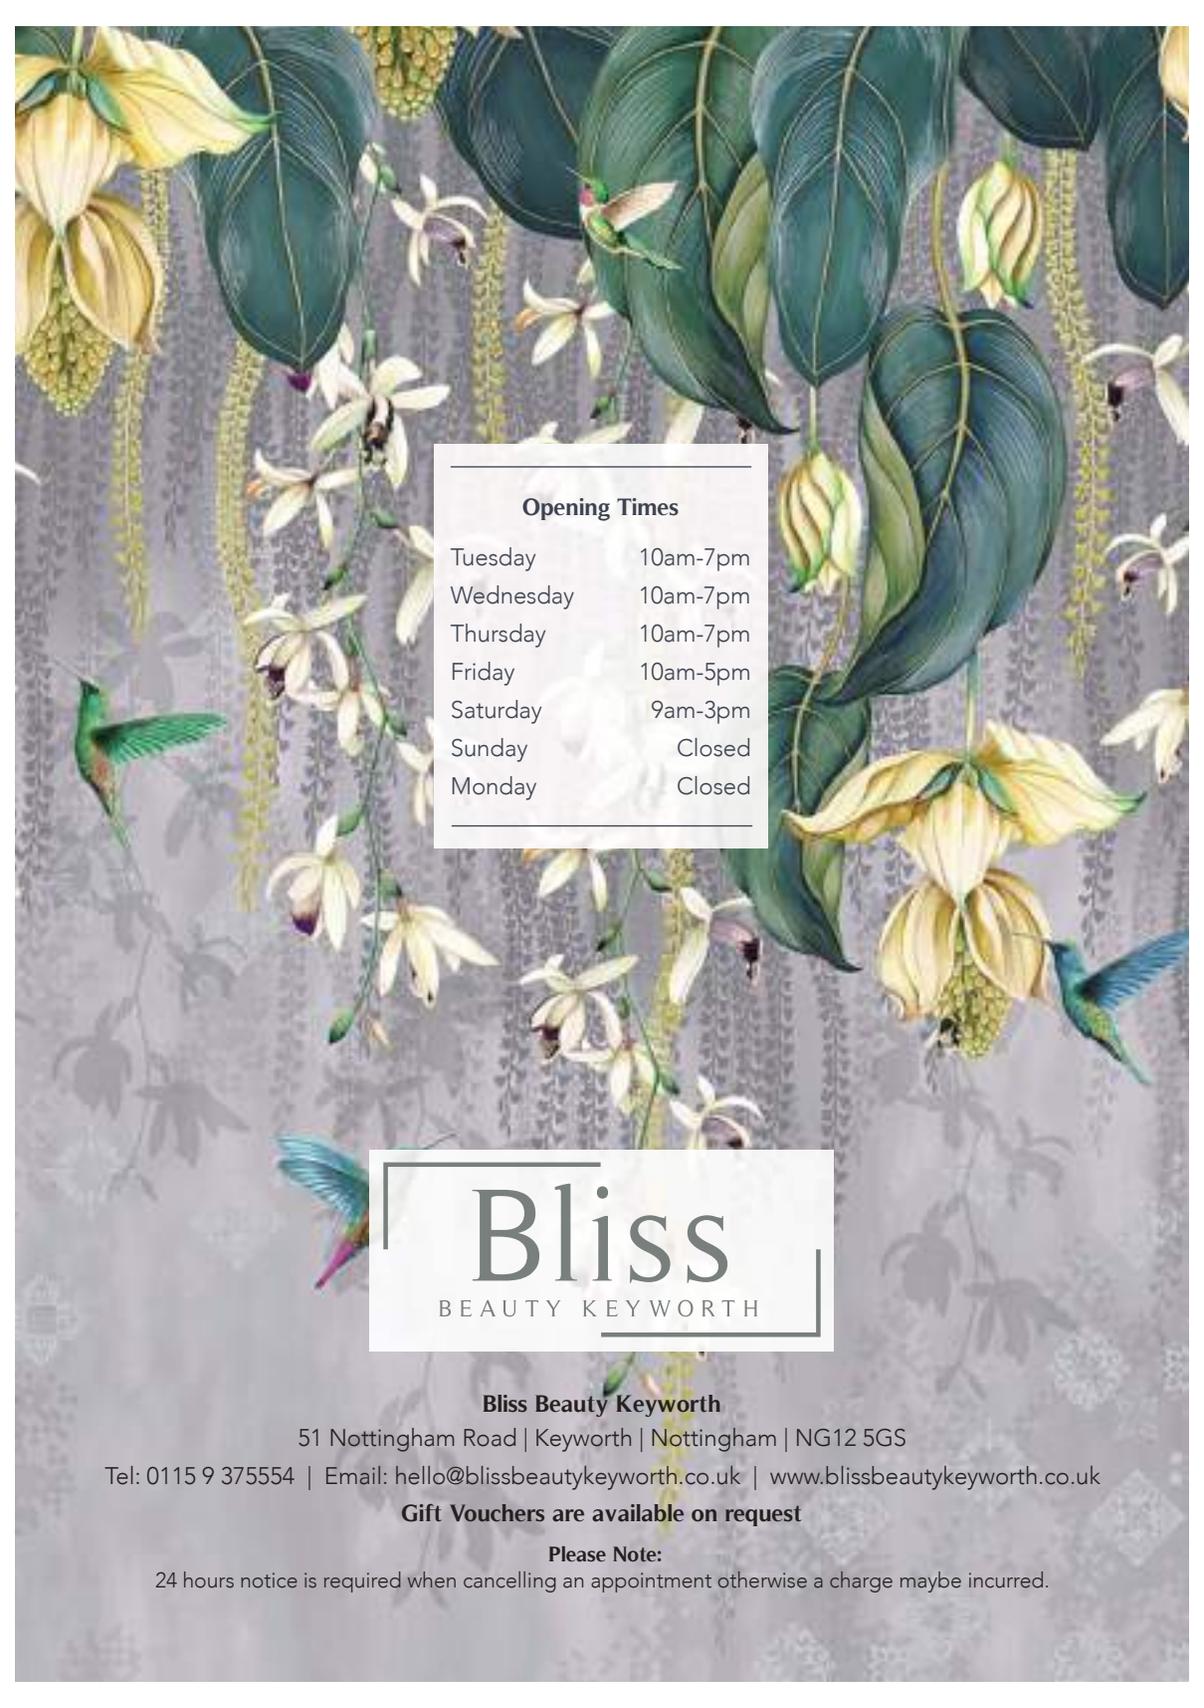

Linda B

Bliss Beauty is the perfect place to go to relax and be pampered. Helen and her team are always professional, helpful and friendly and the salon has a wonderful ambience.

I've been to a lot of other salons in the past but Bliss surpasses them all by far.
